Sign up in 3 easy steps:

It's simple.

Discover all the advantages.

It's also a better way to pay bills and invoices.

- Make payments **more quickly and easily** and gain greater control over cash flow
- Get **anytime, anywhere access** online for more convenience paying your bills
- Depend on **added security** because paying bills online is safer than mailing checks
- Save time by conveniently **importing payees** from Quicken® or QuickBooks®
- Pay multiple invoices for a single payee **all at one time** and account for them in a single location
- Easily set up **recurring payments** for monthly bills

Delegate tasks and set permission controls.

You maintain control of all the settings.

- **Delegate the payment tasks you want**, such as paying utilities and suppliers, running reports or accessing payment history
- Set permission controls so **you're always in charge** of who can make payments, which payments they can make and the maximum payment amount
- Set up **final approvals** so you can give the go-ahead before any payments are made

Get custom reports with detailed information.

Access the information you need whenever you need it.

- **Run audit reports** and customize them for the precise payment information you need
- **Track your company spending** and payment history in just a few clicks
- View the **payment activity of authorized users** and keep track of the payments they have made
- Greatly **reduce your paperwork** and minimize manual record keeping
