**MY CU Services Announces Partnership with Elan Financial Services™**

**Middletown, Pa.** (Sept. 1, 2016) – In a move to offer credit unions reliable, affordable ATM and debit card services, MY CU Services has partnered with Elan Financial Services, a leading ATM and debit card processor. Elan has vast experience working with credit unions of all sizes and understands the ATM and debit card needs of these financial institutions. Services available through the partnership will include ATM and debit card processing as well as fraud monitoring and prevention, mobile alerting and payments, debit rewards, surcharge-free ATM access and more.

“Our goal is to help credit unions succeed and give them access to resources like these to save them time and money.” said Howard Stein, COO of MY CU Services. “Through Elan, credit unions have access to a debit card and ATM services provider with experience and expertise.”

“Much like credit unions, we at Elan have always made providing excellent service to clients our number one priority,” said Bryan Kratz, SVP and national sales director for Elan Financial Services. “We are excited to partner with MY CU Services to make it easier for credit unions to offer reliable, convenient ATM and debit card processing to their members. We look forward to working with MY CU Services to provide more credit unions with processing services that will help them retain and attract members.”

Through this MY CU Services’ partnership with Elan, your credit union can receive a customized, full-service ATM and debit card program that will help strengthen the bond with your members and deliver the convenient, high-end services they desire.
